# Gaining Momentum Pathways and Beyond!

## Progress and Findings: Pathways Research Collaboratives

- **Academic and Career Advising**

Preview an emerging map of all of the career and college advising programs in Texas, and information on their distinguishing characteristics.

- **Dual Credit Academic and Workforce Education**

Dual credit, Advanced Placement and International Baccalaureate – OH MY! Hear insight on course delivery and who's delivering them.

- **Workforce Aligned Instruction**

In Texas, Industry-based certifications (IBC) are used to signal college readiness. Hear how IBCs map to employer needs and what IBC students are earning.

- **Postsecondary Pursuits**

There are five ways students can demonstrate they are college-ready and four ways they can demonstrate they are career-ready. Take a look at new student readiness profiles and see how they connect to long-term success.

*Download Presentation*

Early insights from our Pathways Research Collaboratives were shared on opening Day. Slides from those presentations are available and could be a useful prelude to what they will share in May.
